&13.08.2013

\*\*\*

ORDER:

The Chief Engineer (R&B) CRN & MD, APRDC, Hyd., in his letters read above, has stated that Khammam-Devarapally road is an important Corenet State Highway connecting Khammam District with West Godavari District, and also connects to NH 221 i.e., Vijayawada-Jagdalpur road at Km.66/2. The traffic intensity on this road has increased enormously and heavy loaded vehicles carrying granite blocks, heavy machinery in between Hyderabad and Visakhapatnam ply on this road.

2. He has also stated the traffic intensity on this road is 8032 CVPD and 30,097 PCUs per day. No. renewal was taken up on this road, since the completion of the World Bank project i.e., since 2002-03. The road is badly damaged and requires immediate improvements. The existing road was developed under APSHP earlier with the following pavement composition.

| Item            | Thickness |
|-----------------|-----------|
| BC              | 50 mm     |
| DBM             | 75 mm     |
| CRMB            | 175 mm    |
| GSB             | 300 mm    |
| Total Thickness | 600 mm    |

3. He has further stated that due to heavy and incessant rainfall & because of movement of heavy vehicular traffic some of the road stretches were badly damaged and surface is worn out and developed sunken portions at many places causing inconvenience to vehicular traffic. The average pavement is about 300-400 mm in the stretches Km.74/6-8, 74/8-10, 75/0-2, 75/2-4 and 75/6-8. Hence 200 mm thick of Wet mix Macadam is proposed in the above stretches to match the existing crust. The strengthening proposed in the estimate in the worn out stretches is given below:

| <u>Location</u>                                    | <u>Item</u> | <u>Thickness</u> |
|--|-------------|------------------|
| From Km.74/6-8, 74/8-10, 75/0-2, 75/2-4 and 75/6-8 | BC          | 30 mm            |
|  | BM          | 50 mm            |
|  | WMM         | 200 mm           |
|  | Total       | 280 mm           |

(PTO)

4. The Chief Engineer (R&B) CRN & MD, APRDC, Hyd., has requested the Government, to accord Administrative Sanction for the work of Improvements to Khammam-Devarapally road from Km.66/3 to 78/0 in Khammam District, for an amount of Rs.750.00 Lakhs, under Core Net Plan.

5. After careful examination of the matter, Government hereby accord administrative sanction for the work of Improvements to Khammam-Devarapally road from Km.66/3 to 78/0 in Khammam District, for an amount of Rs.7.50 Crores (Rupees seven crores and fifty lakhs only), under Core Net Plan scheme, for the year 2013-14.

6. The amount sanctioned in Para ( 5 ) above, shall be met from the Head of account -5054-Capital outlay on Roads and Bridges-04 -District and other Roads-MH800- Other Expenditure-GH 11-Normal State Plan- SH(33)-Core net Works Roads (works)-530-Major works-531-Other Expenditure.

7. The Chief Engineer (R&B) CRN & MD, APRDC, Hyd., shall take further action in the matter accordingly.

8. These orders issues with the concurrence of Finance (Expr.PW) Deptt vide their U.O.No.25702/1015/Expr.PW.II/2013, dt: 10.10.2013.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
